► Delivery and packages collection

Your packages and materials can be delivered between 8.30 am and 5.00 pm from September 12th.

All parcels must be addressed as follows:

EMPC 2025 Sept.15-18th

Name of the exhibiting company + contact + Booth Number

Centre de Congrès WTC Grenoble, Mrs FAURE Anais 5-7 place Robert Schuman 38000 Grenoble France

Phone Number of Mrs FAURE Anais + 33 (0) 659 41 66 52 email: a.faure@wtc-grenoble.com

All deliveries have to be done on 1st floor of WTC congress center.

The deliverer must contact the receptionist at their arrival to know the storage area.

All packages must be collected by the end of the break-down period.

Packages that cannot be collected on the break-down can be stored in the Convention Centre until 5.00 pm on the following day (September 16th)

In this case, exhibitors must inform the Convention centre that their goods will be collected by a carrier and clearly indicated their full contact details (returning address), **including a telephone number.**

The Convention Centre will not be responsible for any packages or objects left there following the event, nor will it be held liable in the event of their destruction or loss.

► Goods access

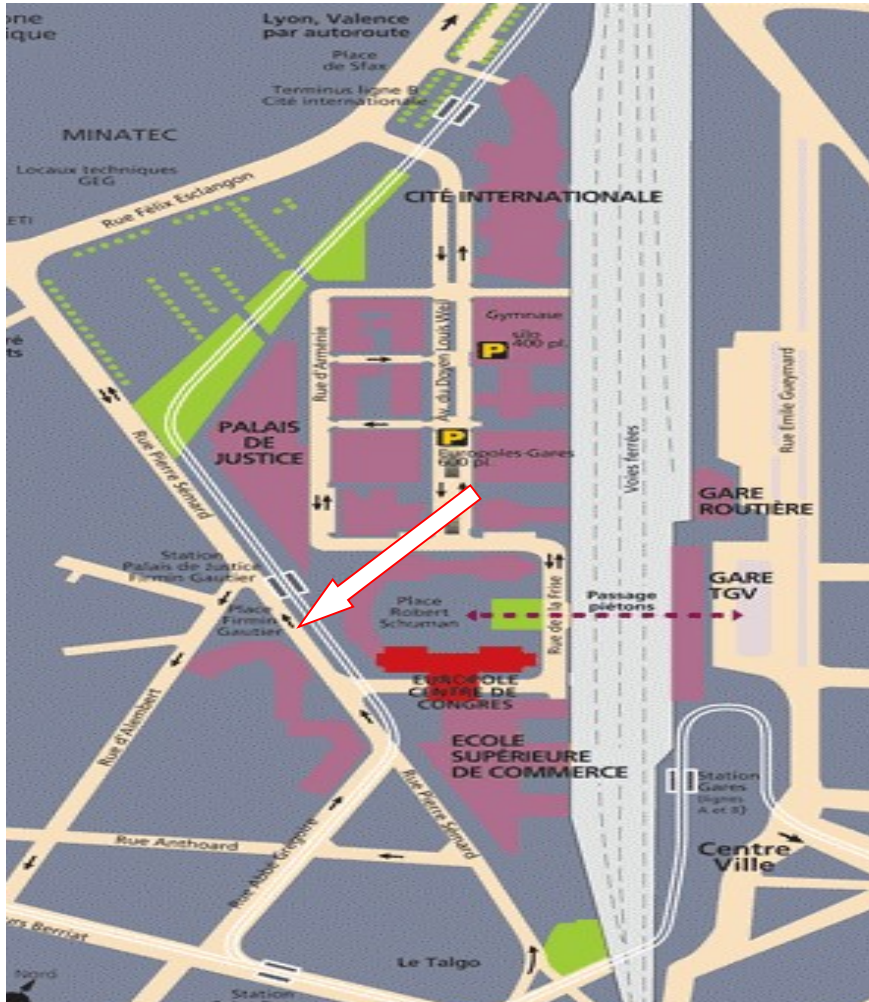

The WTC Grenoble convention Centre does not have a loading bay.

For heavy deliveries, the goods lift is accessed via rue de la Frise between the World Trade Center Grenoble and the Business School.

Lift size: Width: 2m, Depth: 5, 50 m. Maximum load: 1800kg

Goods must be unloaded quickly, as the delivery area cannot be used for parking.

A trolley and pallet truck can be provided free of charge for exhibitors. Requests must submit to organization beforehand.

On exhibition build-up day, the exhibitors themselves must receive goods delivered directly by carriers, since they are solely responsible for them.

► Cleaning

Cleaning will be provided every day before the exhibition opens

All necessary steps must be taken to ensure that no waste or refuse from stands is left obstruction the aisles at the end of each day.

Similarly, empty packaging must be removed, should the organizers have to remove any waste, the cost will be charged to the exhibitor.

▶ Security and Insurance

The organizers decline all responsibility for any goods left unsupervised during build-up and the exhibition itself. We strongly advise exhibitors to take out civil liability insurance and to insure the goods presented at their stands against theft.

When the premises are closed, they are protected by an alarm.

Exhibitors are informed that stands must be fitted in accordance with the security regulations laid out below.

Should operating machinery be used in the exhibition area, the exhibitor must send the "Declaration of Operating Machinery" from the organizer at least 30 days before the event.

The convention Center holds civil liability insurance in the following capacities:

-exhibition space renter

Provider of services pertaining to the said rental

Operator of fixed and mobile facilities, whether long-term or provisional for the purpose of the exhibition.

Exhibitors must be capable of providing proof that they hold civil liability insurance and theft insurance for the value of the exhibited goods

▶ Catering

Throughout the 2 days exhibition, breaks (morning and afternoon, lunch (buffet) will take place in the Atrium.

▶ Wifi Connection

WiFi internet is available throughout the entire Convention centre.

Compatible devices: computer, personal digital assistant and all WiFi 802.11a/bg-enabled devices.
